

2009 Gainesville High School Swim and Dive Team
Tentative Fundraising and Social Activities Schedule

So much to do and so little time to fit it in the swim/dive high school season.

Questions: email Amy Palmer at bhspalmer@hotmail.com
Or go to the website at www.ghsswimdive.com

Aug 17th Starts our swimming practice for the season from 4-6 pm at the NE pool.
Have your paperwork done so that you can swim/dive on that day.
Fundraising paperwork will be distributed.
Parent Information packets will be coming soon.

Aug 18th Suit fittings will happen during practice time at the NE pool for both swimmers and divers. Have you emailed Amy Palmer with your size? Suits will be about \$60 so if possible please be prepared to purchase.

Aug 19th City Meet Planning Meeting at 6pm at Harvest Thyme on Main and Univ.
Parents who are interested in helping, please attend.

Aug 21st in lieu of practice, coach Rob would like to have a team building activity at his lake house. Directions and details will be posted on the website.

School starts and the **team practices everyday** (except meet days) at the NE pool from 4-6 pm.

Donations of cases of water bottles and Gatorade are needed for the meets. I would like to have to coolers of drinks at every meet. George Palmer can get the ice from GHS and get the drinks cool before the meet. Please bring any donations to George Palmer's classroom at GHS in room C-1 (near the TA).

Aug 28th Purple vs White practice swim meet probably at the NE pool.
Some Alumni may be joining us.

Aug 29th Gator Dockside Fundraising Breakfast 7am-11pm
That afternoon will be our first official Team and Alumni BBQ at Rob's.

The (tentative) Meet Schedule has been posted on the website.

August/Sept. will also include a sponsor drive competition. Swimmers/Divers will be collecting business sponsors or family/friends to donate \$25 to have their name or business listed on a banner that we will hang at the pool during meets.

September will be another team garage sale. Start collecting your items to donate.

Keep watch on your email. George and I will be sending lots of emails.
Thank you for your help.

George and Amy Palmer
Co-Presidents of the Booster Club
